Quotable Quotes

Hunter S. Thompson - author and journalist (1937 - 2005)

- In a closed society where everybody's guilty, the only crime is getting caught. In a world of thieves, the only final sin is stupidity.
- It was the Law of the Sea, they said. Civilization ends at the waterline. Beyond that, we all enter the food chain, and not always right at the top.
- I hate to advocate drugs, alcohol, violence, or insanity to anyone, but they've always worked for me.

Information

Business owners save \$900.00 per year

If you are a business owner and use a credit card terminal, you may want to hook it up via High speed internet. This gives instant verification of the card and could save you a \$75.00 a month /\$900.00 year business phone line - if you check the photo you can see a regular phone line may remain attached for automatic roll over to a telephone line should the internet be down.
